CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Double Capacity Of Pre-Cooler To Handle Corn Deal

Work is being rushed to completion this week on construction of another pre-cooling plant for Everglades Growers Cooperative at the State Farmers Market in Pahokee, according to an announcement by Jess Elliott, manager of the cooperative. The new unit, to cost in the neighborhood of \$100,000, will double the capacity of the plant, Mr. Elliott said.

The corn deal in the Everglades made necessary erection of the new pre-cooling plant, it was pointed out. Heretofore, the old plant in operation was large enough to take care of the celery deal as handled by the cooperative. The new plant, when completed, will give the cooperative ample capacity to care for those who use the concern for processing their corn and celery.

The new building is 50x108 of concrete and steel construction and will be a combination pre-cooling plant and cold storage warehouse. Machinery for pre-cooling purposes arrived this week and was being installed on Thursday, Mr. Elliott said that the capacity of the combined plants will be about 1800 crates of corn an hour or about three cars. Each crate of corn contains five dozen ears.

On Monday of this week with only one plant in operation the cooperative handled 6,185 crates of corn. On Tuesday the count went up to 9,000 crates. Mr. Elliott pointed out that the corn deal really got under way this week. The corn planted after the Christmas rain is uniformly good and the price has made the product quite profitable for the farmer in the Lake Okechobee Region.

Lake Park Hotel Is Ready For Public

The Lake Park Hotel in Pahokee will soon be open and ready for business, according to Mrs. Estelle Wooten, owner who has just completed a \$12,000 modernization program on the building. The building is the former Everglades Memorial Hospital building in Pahokee and has been completely modernized.

The building now contains six modern apartments and 11 rooms, some single and some double. The apartments are furnished, having baths, electric refrigerators and gas ranges. Each apartment has a private entrance from the street. The lobby of the new hotel is 15x24 and will be equipped with new furniture. An office is provided just off the lobby.

The building has been finished on the interior with sheet rock throughout. A new fire proof asphalt shingle roof is another feature of the modernization program.

Before the work was started, 35 new pilings were put under the building and the floor leveled. New paint on the interior adds to the beauty of the hotel. A new sign has been painted to go across the front telling the world that the Lake Park Hotel welcomes the weary traveler.

Poppy Day In Canal Point Nets Vets \$85

The Canal Point American Legion Auxiliary, Post 242, collected approximately \$85 for disabled veterans during the annual Poppy Day campaign Saturday.

Mrs. Dee Maxson, chairman of the drive, was assisted by Mrs. Clotis Hand, Mrs. Dorothy Rogers, Mrs. Eleanor Bordeaux, Mrs. Kathryn Boynton, Mrs. Marvel Griffith, Mrs. Wilma Lence, Mrs. Nell Holton, Mrs. Connie Pope, Mrs. Betty Murphy, Mrs. Billie Sims, Mrs. Melba Sims, Mrs. Ella Hewell and members of the Canal Point Girl Scout Troop.

Center of attraction during the campaign was an attractive show window at Carter-Geiger's drug store prepared by Mrs. Maxson which depicted a Flanders field covered with poppies and a hospital room showing a disabled veteran making poppies with a nurse standing by.

Voting Machine Classes Offered

Classes on how to operate voting machines are scheduled to be held at the High Palm Beach County before the primary election May 2, it was announced Monday at the county commission meeting.

James Turnage, voting machine custodian, said that as soon as printing of ballots was completed, a series of schools would be held at all major cities in the county in order to give every voter an opportunity to learn how to use the machines.

The commission Monday instructed Turnage to procure all election material, absentee and sample ballots as soon as possible in order that every voter could have an opportunity to study the ballot.

The commission also adopted a resolution certifying both Democratic and Republican candidates for state and county offices.

The first primary is slated May 2 and the run-off election on May 23.

Turnage said that voting machines would probably be placed in all precincts several days before the election.

Smathers Speaks In Glades Saturday

Congressman George Smathers in his race for election to the United States Senate will speak in Glades towns on Saturday of this week. The young Miami congressman has been making a concerted drive for votes throughout the state.

His itinerary in the Glades is as follows on Saturday:

Canal Point at 11 a. m.
Pahokee at 1:30 p. m.
Belle Glade at 3:30 p. m.
South Bay at 4:00 p. m.
Lake Harbor at 4:00 p. m.
Clewiston at 8:00 p. m.

Mrs. Boyd Vorhees has been ill with pneumonia at her home in Canal Point for the past several days.

Troubled Waters Of Flood Control Calm And Serene

The proverbial oil was poured on the troubled waters of the \$208 million dollar flood control program Wednesday night in mass meeting in Belle Glade town hall. Two hundred and two people of the Glades gathered, listened to full and complete explanations by U. S. Engineer Harold Scott and then voted unanimously to go along with the flood control program as outlined by the engineers.

During the past ten days it was brought out that one large landowner in the Canal Point area—the U. S. Sugar Corporation—had thrown a monkey wrench into the smoothly operating flood control plans. Flood control officials said before the mass meeting that USS Corp. officials had wanted some definite changes made in the plans as set up by the engineers.

Following full explanation of proposed plans by U. S. Engineer Scott a representative of the sugar company—R. Y. Patterson, was called to the platform and a lively debate followed for a few minutes between him and Mr. Scott. Finally after engineering details were discussed at length—Mr. Patterson for the sugar company agreed that the engineers proposed plans would be okay.

To show to the world and the U. S. Congress the unanimity which prevailed at the meeting, the group went on record as favoring the plan as proposed by the engineers. Ted Daniel of Lake Harbor made the motion and D. L. Hooks of Canal Point offered the second that the group in mass meeting go on official record as favoring the engineers plan. The vote was unanimous.

Radio Problem To Be Given Study

Official advices from H. N. Kirkman, director of the State Highway Patrol, that the Palm Beach County sheriff's department can not use the FHP radio system after July 1 were read into the minutes of the county commission Monday.

Kirkman's letter was contained in a communication from Sheriff John F. Kirk, who had previously informally discussed the situation with County Commission Chairman Lake Lital.

The sheriff's department has been operating on the FHP radio for about a year, with the county paying the expenses for a midnight to 8 a. m. operator when the patrol's own staff ceases work.

The ultimatum from Kirkman, commissioners indicated, poses a difficult problem. Chairman Lital previously said that the commission has no authority to set up a county radio, station, but added that every possibility will be explored to keep the sheriff's car radio equipped.

It was also brought out that the Florida Highway patrol in West Palm Beach presently occupies quarters owned by the county and located on county property.

New Industry For Palm Beach County

A new industry for Palm Beach County was assured Monday when the board of county commissioners leased to the Seaboard Vermiculite Corp., the old guardhouse and former TB hospital at International Airport.

The new industry—the only one of its kind in Florida—will process minerals brought in from South Africa to obtain mica which is used in building materials and insulation.

The shipments from the Gold Coast will arrive in Tampa by water and be shipped to International Airport via rail. The firm operates two other plants, one in Newark, N. J., and the other in Boston, Mass.

The board of commissioners was advised that about 10 persons will be employed at the plant here at the outset of operations.

Road Work Rolling In Glades Section

A new road from the end of Bacom Point road near the airport to Chosen is provided for in the 1950 State Road Department budget, according to County Commissioner Paul Rardin.

An amount of \$535,000 is set up in the 1950 SRD budget for this new project which will connect the new airport with the packing house center at Belle Glade. This new road will also open up a vast farming section of the Glades which in the past has been inaccessible.

Also in the 1950 SRD budget is \$150,000 to rebuild Connors Highway from Canal Point north to the Martin County line. Bids will be received on this contract by the SRD on April 10.

A contract has already been let for the 10 mile stretch between the Martin-Palm Beach county line northward to Chosen Bay and construction should start immediately.

Construction work on the quarter million dollar Bacom Point road is progressing better than it has since the contract was let in November.

Glenn Abbing In Race For Mayor

Glenn Abbing of Pahokee this week announces his candidacy for mayor in the forthcoming election to be held on May 2.

Mr. Abbing has lived in Pahokee for the past five and one-half years. He is a member of the Methodist church, an officer of Everglades Lodge No. 211, F&AM, a former member of the Lions club, a member of the International Accountants Society, member of Scottish Rite Consistory at Lake Worth and Mahi Shrine Temple in Miami. Mr. Abbing is a veteran of World War 11 and a member of the American Legion.

Mr. and Mrs. Abbing own their home on Canal Point road.

He will make public the platform at a future date, on which he expects to seek support of Pahokee voters.

Pahokee Council Would Pay Council, Mayor \$1 Per Year

At a meeting of the city council in Pahokee Tuesday night a motion was passed that has caused a lot of comment among potential candidates for the city council and the mayor's job. The motion said in effect that the council was in favor of cutting the mayor's salary to \$1 per year and setting the councilman's salary at \$1 a year.

The motion, however, only instructed the city attorney to draw up an ordinance with the above stipulations. The ordinance will have to be passed at future meetings in regular form. Whether or not the ordinance will be passed with such drastic cuts in salary remains to be seen.

The motion to put the mayor's salary at \$1 was made by Orin Bacon and the second came from I. J. Frasure, Jr. The motion to establish the councilman's salary at \$1 came from I. J. Frasure, Jr., and the second from Orin Bacon.

At present the councilman draw \$5 per meeting and the mayor's salary is \$150 monthly.

A great deal of comment has been heard in Pahokee since the action by the council Tuesday night. This newspaper was interested in the reaction to the motion and sent out a reporter to ascertain what folks in the city were thinking. Out of 51 people accosted not one was in accord with the idea of whacking the mayor's salary down to a dollar. Neither were they interested in paying the councilmen only a dollar.

The large majority of the people were of the opinion that a city the size of Pahokee should pay the mayor and councilmen a salary commensurate with the amount of efficient work they render in behalf of the city.

Asks Re-Election To City Clerk Job

City Clerk W. P. Walker is a candidate for re-election in the forthcoming election scheduled in Pahokee for Tuesday, May 2, 1950.

Mr. Walker has served the city for 16 years in the clerk's office and is sighting his record in office as a basis for re-election.

"It has been a pleasure and a privilege to serve the people of Pahokee," Mr. Walker said, "and in seeking re-election I can only point to my record in office as a basis for being qualified for the office. Through the years I have always kept economy in effect in the city clerk's office, and if re-elected I shall continue to carry on in a like manner in the future."

Baptists To Hear Carolina Preacher

Rev. A. M. Gillson, pastor of the New Hope Baptist Church at Whiteville, N. C., will fill the pulpit of the Canal Point Baptist Church Sunday morning and evening at the regular preaching hours.

News Notes From State Capital

TALLAHASSEE — Legal machinery of the state may be aimed next at the Associated Press and the state's radio stations in the current drive to halt bookmaking. Attorney-General Richard W. Ervin has requested the State Railroad and Public Utilities Commission to ban flash race results sent by Continental Press Service from New York to newspaper and radio subscribers. He said there is a possibility the Associated Press wires are being tapped by those who will use the race result information for making book, a form of illegal gambling. The Railroad Commission noted that the State Supreme Court has upheld the validity of the 1949 anti-bookie law, and pointed out that under its provisions, the Commission is confined to the regulation of private wires, from telephone or telegraph companies. It is not authorized, the law declares, to stop bookmaking or any other form of gambling, which is the responsibility of law enforcement officers.

TALLAHASSEE—Bones of the Chief of Osceola may be returned to Florida, and buried again with new honors. Governor Warren has requested their return, and Osceola County has asked the privilege of putting up a monument and receiving the remains, although several other counties have asked the same. The Chief was buried at Fort Moultrie, South Carolina, and Governor Strom Thurmond has been asked to release them. Governor Warren suggested they be given a final resting place in the Collier-Seminole State Park near Naples, close to the camping grounds of Osceola's descendants.

TALLAHASSEE — Attorney-General Richard W. Ervin has been given the job of investigating charges of price-fixing by three bakeries wanting to sell bread to the State. The cabinet made the request for a probe after Purchasing Agent Dan D'Alemberte reported he had turned down identical bids of 11 cents a loaf from bakeries in Panama City, Thomasville, Ga., and Dothan, Alabama, finally awarded the contract at 8 cents a loaf to the Marianna Bakery Company, for bread to supply the Industrial School for Boys.

TALLAHASSEE—A court fight for additional money for the State Beverage Department is shaping up, on the heels of the Cabinet refusal to turn over additional cigaret tax funds which

the Cabinet feels belong in the general treasury. The Beverage Department told the Cabinet it needs \$83,595 more than it now gets per year to meet expenses connected with collection of the cigarette tax, which it handles in addition to liquor and beer. The Cabinet didn't see it that way, and the Beverage Department was told it could get the extra money only on an order from the Supreme Court of Florida.

TALLAHASSEE—Criminal insane patients at the State Hospital are jammed into general wards, and eight such persons committed cannot be taken in. This report by Dr. J. H. Therrell, the superintendent, to the Cabinet brought an order for investigation to determine where additional space might be created for the criminally insane. Those now marking time are doing so in county jails.

TALLAHASSEE — Attorney-General Richard W. Ervin this week gave his opinion on the following subjects:

BEAUTY—State Board of Beauty Culture cannot restrict practitioners to work on their own race.

INDIANS—Seminole Indians, being citizens, are entitled to vote if otherwise qualified.

MARRIAGE—County Judge may not issue marriage license while legal impediment to marriage exists.

SCHOOLS—Employee of State may also be a County School Board member.

TAXICAB—Taxi owners who work under a common name and pay fee for each call are not employees.

OPTICIANS—Board of dispensing opticians may employ itself to make investigations.

VOTER—Absentee voter delivers his ballot to supervisor of registration.

TALLAHASSEE—Bids will be received here April 8 for a new steel football stadium, following successful completion of a local drive to raise \$50,000 to help pay for it. Dr. Doak S. Campbell, President of Florida State University, announced the call for bids on the proposed University stadium, after getting a report from Rainey Cowthan and Kenneth Ballinger of a local sponsoring committee that \$50,000 in cash is available from the sale of 5-year reserved seat tickets in the proposed stadium. Dr. Campbell said he hopes the stadium will be ready for use this Fall. It will seat 15,000, can be doubled in size.

Pepper Jubilant Election Outlook

Jubilant over the results of a two-week swing through North and Northwest Florida, Senator Claude Pepper moved his reelection campaign drive into central and South Florida this week.

As he had in the northern part of the state, Pepper continued to emphasize his efforts to increase American prosperity by keeping purchasing power at high levels.

"That is why I have voted for 90 per cent of parity payments for the farmers," he declared. "That is why I have led the successful fight to increase the minimum wage to 75 cents an hour and why I voted to reduce federal income tax payments for more than 7,000,000 Americans in the lowest wage brackets."

Pepper accused his opponent of knowingly or unknowingly advocating "depression economics."

"He voted against 90 per cent of parity and against cutting income taxes for people in the lowest brackets," Pepper asserted. "And while I was fighting to get the minimum wage up to 75 cents, he was voting to take away from more than 1,000,000 American workers even the meager protection of the old 40-cent-an-hour minimum. Forty hours of work at 40 cents an hour is only \$16 a week, but my opponent was unwilling to guarantee these workers even that much."

In reviewing his farm record this week, Pepper included his most recent successful effort to aid Florida cotton and peanut farmers by increasing cotton quotas and by giving peanut farmers permission to convert overplantings into peanut oil.

Woman's Club Makes Donation To Brownies

The Pahokee Woman's Club at a business luncheon on Wednesday of last week voted a donation to the Brownie Troop to be used for the purchase of needed supplies.

Members were asked to root cuttings of ornamental shrubs for use on the clubhouse grounds. The club instructed the secretary to send a resolution of sympathy to Mrs. A. H. Dalton of Memphis, Tenn., a past president, whose husband died recently at their home in that city.

Mrs. W. H. Jones, Jr., president, presided at the meeting. Mrs. L. M. Collins and Mrs. H. T. Williams

were in charge of luncheon arrangements.

Mr. and Mrs. B. J. Barwick of Thomasville, Ga., announce the arrival of a nine-pound boy on Tuesday, March 21. Mr. Barwick is a former Pahokee resident.

Mr. and Mrs. James T. Nesbitt of Clewiston announce the birth of a son, Floyd Daniel, at the Everglades Memorial Hospital, Mar. 26.

"Curfew Shall Not Ring Tonight"

Our ten o'clock curfew lasted for 30 years, but the town council voted it out. I dropped in at the meeting in Town Hall last week just in time to hear Smiley Roberts.

"The curfew is old-fashioned," says Smiley. "We ought to be grown-up enough by now to behave like grownups. Seeing to it that our kids get to bed is the responsibility of each family." Then Judge Cunningham adds, "Most of us are in bed when the curfew horn blows anyway. It wakes me up just when I'm getting to sleep!"

What the Judge said was good

for a laugh, but Smiley just about summed up how folks think in this town. We believe that the democratic tradition of "live and let live" is the only way to live.

From where I sit, it's not the American way to regulate your life by a horn—any more than it's right to criticize my caring for a temperate glass of beer now and then. Think what you wish, say what you wish, but don't ask your neighbor to do exactly as you do!

Joe Marsh

FLORIDA POWER & LIGHT COMPANY

**Accidents
never happen
to you!**

You're a safe driver. You hardly ever try to pass another motorist on a curve. And even when you do, you can count on your car for

that extra burst of speed that gives you a margin of safety. No, accidents *never* happen to you!

Or do they?

The driver of this car thought he was a safe driver, too. Of course, he wasn't as lucky as you. He didn't see the oncoming car as he pulled out to pass on a curve. It was too late to jam on the brakes, too late to

learn that an extra burst of speed isn't always a margin of safety. Don't pass on curves or hills. Always drive carefully. That's the only real margin of safety!

Racing a train to a crossing results in death or injury for thousands of motorists every year. Don't take chances like this. Make safety a habit and live longer.

Children take chances because they don't realize the dangers. That's why it's important to be doubly careful while driving near schools or wherever children play.

Rain and fog reduce visibility greatly and increase driving hazards. Keep your lights and windshield wiper in good working order. You have to see danger to avoid it.

Fellsmere Sugar Company Closes Excellent Season

VERO BEACH — Gotta sweet tooth? Well here's something for it.

The Fellsmere Sugar Producers assn., during the season just closed, produced 14,500,000 pounds of refined sugar. This is equivalent to 7,250 tons or 145,000 one hundred pound bags — a lot of lumps for your coffee. This amount compares with last year's 11,600,000 pounds.

Cane grinding operations at Fellsmere started last November and ended this week. Acreage last season was between 4,600 and 4,900, and present plans to increase it still further this year. Officials of the company have also announced their intended expansion of the milling facilities before cutting starts this fall.

Until three years ago when a mill was built in Okeelanta, the Fellsmere plant was the only one in the state which was producing refined sugar. Trade name for the Fellsmere product is "Florida Crystals."

Lions Hear Report On Pahokee Hospital

The date for the dedication of the beautiful new Everglades Memorial Hospital building on Canal Point Road has been tentatively set for Wednesday, May 10, at 2:30 p. m., according to an announcement by I. J. Fraure, Jr., hospital superintendent, at the regular dinner meeting of the Canal Point Lions Club Monday night.

Introduced by Albert Fremd, program chairman, and a member of the hospital board, Mr. Fraure explained to the Lions the financial set-up under which the hospital operates and described some of the new modern equipment that was recently installed. He said work is progressing on the landscaping of the grounds. A row of young royal palm trees have been planted to separate the hospital grounds from the highway, drive-ways and parking spaces have been built and a bitter blue grass sod is being established on the front lawn. Plans call for the planting of fruit trees and ornamental shrubs on the back lawn.

It was reported at the meeting that the club's project of clearing the banks of the West Palm Beach Canal for a beautification program within the townsite is nearly completed. When the two remaining trailers are moved within the next few days everything will be clear for the start of the beautification program which will be under the supervision of the Gardenia Circle of the Community Garden Club, it was said. Excellent progress was also reported on the club sponsored project of installing street lights at Canal Point. President A. R. Harrington presided.

Band Will Take Part In District Contest

Bandmaster Robert O. Lampi is taking 46 members of his Pahokee High School Band to West Palm Beach and Lake Worth today to participate in the District One Band Contest.

The band will play in the Palm Beach High School auditorium this Friday afternoon at 1 p. m., at which time it will be judged in concert playing and sight reading. Tonight starting at 8 p. m. the 10 bands taking part in the contest will meet on Russ Bullard Field in Lake Worth for the marching phase of the contest. Each band will be allowed 10 minutes on the field to display its drill and playing ability, the Pahokee band scheduled to perform on the field from 8:30 to 8:40 p. m.

Following the individual performance, all bands will join to play several numbers under the direction of the individual judges. After the mass concert there will be a drum majors' ball in the Lake Worth High School gymnasium sponsored by the Lake Worth PTA.

Contest judges will include the following band directors: Roy Wood, Winter Haven, inspecting judge; Otto Kraushaar, Lake Wales; Dorothy Parker, Melbourne; Harold Bachman, University of Florida; and P. J. Gustaf, Sebring.

The Pahokee High School Band has risen from a Class D band upon its reorganization in 1940 to its present Class C rating, under which it has attained "superior" ratings in district contest and "excellent" ratings in the State division. Under Mr. Lampi's direction the band has been active in school and civic affairs, has presented annual winter concerts in the high school auditorium and appears once a year on a PTA program at both Pahokee and Canal Point.

Sorority Welcomes Three New Members

The Beta Omicron Chapter, Beta Sigma Phi Sorority, entertained at the home of Mrs. Gethie Friend Thursday afternoon of this week from 4:30 to 5:30 o'clock with a tea and reception honoring the chapter pledges, Miss Ruth Evans, Mrs. Virginia Crossman and Mrs. Georgia Moon.

The tea table, covered with a lovely damask cloth, had as a centerpiece a large bouquet of yellow rosebuds flanked by silver candle holders, with yellow tapers. Gladioli and roses were used for decorating the living room for the affair.

In the receiving line with the honorees were Mrs. Evelyn Lair, chapter president and Mrs. Christine Elliott, hostess. Mrs. Miriam L. Dulany, sponsor, and Mrs. Doris Carter director poured the tea and Mrs. Meg Graham was in charge of the guest book. Mrs. Elliott presented a yellow rose boutonniere to those in the receiving line, the sponsor, the director and to Mrs. Graham who was in charge of the guest book.

Mrs. Elizabeth Enecks played soft piano music during the tea. Mrs. Graham gave a reading and Mrs. Faye Abing sang two solos, accompanied at the piano by Mrs. Enecks.

Mrs. Marjorie Mock and Mrs. Gethie Friend were in charge of the decorations and refreshments.

Tom Watson Talks To Pahokee Lions

Tom Watson, Jr., radio executive of Belle Glade, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Leonard Dobrow, program chairman, Mr. Watson gave a talk on "Democracy versus Communism."

John H. Sutterfield, new editor and publisher of the Pahokee News was received as a new member. President Emmett P. Holt appointed past presidents of the club on a committee to nominate new officers for the coming year.

WSCS Plans Meeting

The Canal Point Methodist Woman's Society of Christian Service will meet at the home of Mrs. Chris Hall Tuesday, April 4, at 2 p. m. Mrs. C. L. Stuart will present the program and Mrs. W. K. Buchanan, president, will preside at the business.

Easter Cantata Is Scheduled In Pahokee

The Choir of the Pahokee First Baptist Church will present an Easter cantata, "Crown Him," by Lane at the church Easter Sunday at 8 p. m.

The cantata is under the direction of Mrs. H. H. Shirley and will consist of the following numbers: "Ring Out the Bells," duet by Mrs. R. S. Douthitt and Mrs. Thumond Knight with the choir; "Over a Palm Strewn Way," Robert O. Lampi with Men's Chorus and choir; quartet, "His Cross and Mine," Mrs. R. O. Lampi, Mrs. C. L. Shirley, R. O. Lampi and W. W. McCurdy; "Upon the Cross," the choir; solo, "He Lives Today," Mrs. Ralph Grimes; duet, "At the Fragrance of the Morning," Mrs. W. F. Tillis and Mrs. Ralph Grimes with choir; "The Dawn of Easter Breaks," the choir; solo, "Bring Forth a Crown," Robert O. Lampi with choir.

Song Festival For Brownies And Scouts

Girl Scouts and Brownies of the West District, including Canal Point, Pahokee, Belle Glade and Clewiston, will gather at the Pahokee city park this evening for their second annual Song Festival.

Following a "nosebag" supper starting at 5 p. m., the scouts and brownies will present a program of songs and skits at 7:30 p. m. The public is invited to attend the program.

Playlet Will Be Presented This P. M.

Pupils of Mrs. Loe! Lence's first grade room at the Canal Point School will present a playlet, "Midnight in the Toy Shop," during the school assembly in the school auditorium this Friday afternoon at 1:30 o'clock. The playlet has an interesting plot and the children will be in costume. The public is invited.

Canal Point PTA

The Canal Point Parent-Teacher Association will conduct its April meeting in the school auditorium Monday, April 3, at 8 p. m. New officers will be elected. Rev. Earl Jones will be in charge of the program.

Dr. and Mrs. Gordon H. Schuetler attended a chiropractor instruction school demonstrating the new Ellis Micro-dynamometer held at the office of his brother, Dr. Arthur Schuetler in Lake Worth Tuesday evening.

Christian Science Society

CHURCH OF CHRIST, SCIENTIST

"UNREALITY" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, April 2.

The Golden Text is: "Surely God will not hear vanity, neither will the Almighty regard it" (Job 35:13).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Doth a fountain send forth at the same place sweet water and bitter? Can the fig tree, my brethren, bear olive berries? either a vine, figs? so can no fountain both yield salt water and fresh" (James 3:11, 12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

"Did God, Truth, create error? No! 'Doth a fountain send forth at the same place sweet water and bitter?' . . . Error is false, mortal belief; it is illusion, without spiritual identity or foundation, and it has no real existence . . . Truth cannot be contaminated by error. The statement that Truth is real necessarily includes the correlated statement that error, Truth's unlikeness, is unreal" (287:11-13, 22-23, 32).

CHURCH OF HOLY NATIVITY, EPISCOPAL

Ronald Lane Latimer, Priest
Services During March.
Sundays, Holy Eucharist and Sermon at 8:45 A. M.

Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. With the beginning of a New Year there is no better time than NOW to make a resolution to do a better job attending church in 1950 than you did in the year past. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

Churches Of The Glades

Cinematic Chatter

By Malcolm Millar

Broadway and Hollywood joined hands to create the delightful technical musical "On The Town," which is scheduled to be screened at the Prince Theatre, Sunday, Monday. Principal stars in the piece are Gene Kelly, Frank Sinatra, Betty Garrett and Ann Miller.

Story has to do with a lonesome goby who is in search of a pin-up girl he is in love with. Search takes him and his pals to all the principal night spots in New York. Comedy is fast paced and original. Dance numbers are out of this world. Eight new song hits are introduced in a novel and entertaining manner during the unreeling and Kelly and Miller come through with some of the neatest and best dancing this writer has seen them present in all of their picture careers. Sinatra and Garrett give out with song numbers—and How!

I think you'll thoroughly enjoy your trip to the theatre on this one.

See you at the movies—Mal.

Spelling Bees Are Held In Local Schools

Spelling bees were conducted recently at both the Pahokee and Canal Point Schools to select by elimination the best spellers to represent the schools in the County spelling contest in West Palm Beach next month, the winners of which will be eligible to enter the Miami Herald's state spelling contest in Miami.

At Pahokee Carol Carpenter, eighth grade pupil, outspelled all her schoolmates in the spelling bee and Derother Joan Rushing, sixth grade, was runner-up.

Dow McClelland won first place at the Canal Point spelling bee and Buddy Parker was runner-up. Both are members of the sixth grade.

Mr. and Mrs. C. C. Cruthird and son, John Bennett, and Mr. and Mrs. John Burton and daughter, Cathy spent Sunday in Hollywood visiting Mr. Cruthird's and Mrs. Burton's brother-in-law and sister, Mr. and Mrs. R. E. Wirwahn and their new son, David Scott Wirwahn, born at a hospital there Mar. 24.

Everybody Should Assist Census Taker

The Big Push will start April 1st. It's only good sense to co-operate and work with the Census program. There is Sense in Census. There is US in Census. How we count, how we have grown, what we do will reflect in the census statistical data for each town, village, community and city. Be large or small we are proud of our place of residence and to claim benefits and credit for ourselves and our sections, friendly assistance must be given the census enumerator when he or she calls to help compile this data.

It is a cross section of the country that makes comparisons beneficial, but all adds up to official averages and only by census taking of population, housing, agriculture, industry and information included under each heading can we arrive at official statistics which are useful.

Few Americans go through a single day without making a direct or indirect reference to the work of the U. S. Bureau of Commerce, Dept. of Census, yet it is a misunderstood part of our national position in the world. It is the ultimate factual authority that commerce and industry must rely on.

People in every walk of life quote facts and figures on statistics compiled by the Bureau of the Census, they say "according to the latest census" without realizing that information quoted are products of the census workers, who in most cases spent much time and effort with or without much help from some individuals to tell us how we stand or what the score is in various fields of endeavor.

The Bureau of the Census is one department of the Federal Government that operates within its Budget. The budget is set very low, your help and sincere cooperation is needed to do the big task assigned for the 6th Congressional District, to keep this record of Conservation that we of the Bureau are proud of.

ATTEND CONFERENCE

Pahokee Legionnaires and Auxiliary members who attended the Legion's Ninth District Conference on Sunday included Mrs. Carmen Salvatore, Jr., and Mrs. Cecil Gray. Auxiliary delegates: Perry Duke and Paul Tillery, Post 90 delegates: John Chandler, Jimmy Batchelor, Carmen Salvatore, Jr., and Cecil Gray.

IN THE COUNTY JUDGE'S COURT, IN AND FOR PALM BEACH COUNTY, FLORIDA.

In Re: The Estate of W. H. VANN, Deceased.

NOTICE TO CREDITORS You and each of you are hereby notified and required to present any claims and demands which you, or either of you, may have against the estate of W. H. VANN, deceased, late of said county, to the County Judge of Palm Beach County, Florida, at his office in the court house at West Palm Beach, Florida, within eight calendar months from the date of the first publication of this notice. Each claim or demand must be in writing and must be sworn to by the claimant, his agent, or his attorney, or the same will become void according to law.

This 8 day of March, 1950.

Lorena Vann, Administratrix of the Estate of W. H. Vann, deceased.

First publication on Mar. 17, 1950.

Thadde Whidden, Attorney for Administratrix.

INVITATION TO BID

Sealed bids will be received by Florida State Improvement Commission, P. O. Box 930, Tallahassee, Florida until 10:00 A. M., April 1, 1950, at which time the bids will be publicly opened, for the lease of all or part of approximately fifty (50) acres of rich farm land located approximately one (1) mile north of the town of Belle Glade, Florida and lying east of and adjacent to the Belle Glade State Airport in Section 29, Township 43 South Range 37 East in Palm Beach County, Florida. Further details may be obtained from the Division of Aviation offices of said Commission, together with information and leasing conditions. Said lands will be available for use beginning July 1, 1950. Right is reserved to reject any or all bids.

Walter E. Keyes, Secretary and Director, Florida State Improvement Commission.

Choirs To Present Easter Cantata

The Vesper and Senior Choirs of the First Methodist Church of Pahokee, comprising 60 voices, will present an Easter Cantata, "From Cross to Crown" on Good Friday at 8:00 p. m. at the First Methodist Church.

The theme of the cantata depicts the crucifixion and resurrection of Christ, with the following special numbers:

"He Was Despised"—Glenn Abing.

"Lamb of God"—Jack Phillips. "Stars in Their Golden Splendor"—Louise Hatton.

"O Could I Speak the Matchless Worth"—Glenn Abing and Anna Lee Hurt.

"He Arose"—Barbara Branch. "Seek Him Not Among the Dead"—Fay Abing, Barbara Branch, Glenn Abing, and Gordon Schuetler.

"O Swing the Gates Wide Open"—Bobby Schroder and Male Chorus.

"Christ Being Raised From the Dead"—Chandler McIlwain.

"O Death, Where is Thy Sting?"—Hazel Wroten.

"The Sting of Death is Sin"—Anna Lee Hurt and Chandler McIlwain.

Director of Cantata, Mildred Todd; Accompanists, Rita Faye Hurt, Organist, Wilma McClenahan, Pianist.

Stambaugh Runs For Navigation Job

Declaring "aggressive action by members of the Florida Inland Waterway Commission and co-operation with the United States Engineers would bring about early deepening of the inland waterway," Gleason N. Stambaugh, Sr., has announced his candidacy for the Commission post held here for more than 20 years by D. H. Conkling.

"While the Inland Waterway Commission does not have the

power to initiate work on the waterway," Mr. Stambaugh said, "the record of some of our aggressive port commissions shows that Federal assistance can be obtained for worthwhile projects with the right sort of cooperation at the county level."

A West Palm Beach resident for the last 40 years he was the commanding officer of Coast Guard activities in this area during the latter part of the war, handling Port Captain functions and was commissioned lieutenant commander in the CG Reserve. He was one of the first members of the Coast Guard Auxiliary, and Reserve in this area, served as commander and division captain of the Auxiliary and was one of 18 members to receive commendations from Adm. Waesche for "outstanding voluntary services." He was one of the few members of the local unit to be credited with coming in direct contact with enemy submarines during a routine patrol.

Educated in Palm Beach County schools, and engaged in business here for the last 20 years, Mr. Stambaugh was one of the organizers of the Florida Club and has served as its vice commander since its establishment shortly after the war.

The Canal Point Methodist Women's Society of Christian Service will meet at the home of Mrs. Chris Hall Tuesday, April 4, at 2 p. m. Mrs. C. L. Stuart will present the program and Mrs. W. K. Buchanan, president, will preside at the business.

Mr. and Mrs. J. L. Bray and family have moved from Fort Pierce to Pahokee where he is employed by the Florida Power and Light Company.

Mrs. Vernetta May returned

home recently from Jackson Memorial Hospital, Miami, where she received treatment for several weeks.

Mrs. Kenneth Cooksey and son, Kenneth, Jr., of Monticello are guests of her mother, Mrs. J. S. Harrington, Sr. at Port Mayaca.

Sam Lovell, who recently graduated from the University of Florida with a bachelor of science degree in agriculture, has arrived here for a visit with his parents, Mr. and Mrs. Dave Lovell. He was accompanied by Charles Goodrow of Plant City. It is reported that Mr. Lovell has accepted a teaching position in Jacksonville, starting the first of April.

Mr. and Mrs. Ellis Murphy and children spent Sunday with his parents, Mr. and Mrs. E. O. Murphy, in Miami.

Dr. and Mrs. Charles Fitzgerald and children, Charles, Jr., and Mildred, are guests this week of Mrs. Virginia Cate and family.

Mr. and Mrs. C. H. Mitchell and daughter, Janice, of Winter Haven spent the weekend in Pahokee with their son-in-law and daughter, Mr. and Mrs. Hugo Boe.

Mr. and Mrs. Adrian Charron and children and Mrs. Jessie Loring, all of Coral Gables, were guests of Mr. and Mrs. H. J. Claus in Pahokee Sunday. They were accompanied by Mrs. Claus's uncle, Arthur Loring of San Angelo, Calif., who returned for a visit after spending several days in Coral Gables.

Mrs. Paul Jordon, former Pahokee resident now living in Avon Park, fell recently and fractured her hip, according to word received by friends here. She is receiving treatment at the Walker Memorial Hospital, Avon Park.

Mrs. W. K. Aldridge and son, Keith, of Jacksonville are the guests of her parents, Mr. and Mrs. W. W. McCurdy, in Pahokee.

Better ENJOY the Spring Months IN FLORIDA!

Why return North too early to uncertain weather... possibly to mud, slush and a dangerous case of flu? The spring months in Florida are particularly delightful. Plan to stay and enjoy them. Temperatures will be just right for comfort... bathing, sunbathing, golf, fishing and other outdoor diversions at their best.

FINE TRAINS ALWAYS AVAILABLE

And you don't need to hurry home because of train service. Fast, finely equipped through trains to both the East and Mid West will be available over the Florida East Coast all spring, and even summer. You will enjoy just as convenient schedules and modern equipment, as you would if you left now.

For reservations: Telephone West Palm Beach 5151

Travel & Ship

FLORIDA EAST COAST RY.

Urge Cooperation With Census Taker

The county commission Monday urged all residents in the county to extend utmost cooperation to U. S. Census takers, a group slated to start a county-wide population count in April.

Commissioner C. Y. Byrd, Delray Beach, introduced a motion that the commission go on record seeking cooperation of the residents in the county count, saying that it was important that the census be taken as accurately as possible because population was used as a basis in many instances in state and national legislation.

He further suggested that residents obtain a copy of the routine questions which the census taker will ask, in order that residents will be prepared to give the accurate answers when they are interviewed.

J. G. Baker returned recently from Chattanooga, Tenn., where he was called by the sudden death of his father.

Receiver Is Named For Rader Properties

Circuit court Thursday appointed Charles B. Fulton, local lawyer, receiver for all properties owned by Rader Properties, Inc., of Belle Glade.

It was a part of two years' litigation over ownership of the big Everglades company between Leo J. Rader, its head, and the First National Bank in Palm Beach, as executor of the estate of Bessie Rader, Leo's dead wife.

Two weeks ago the court issued a decree that was construed as awarding 49 of the 100 shares of Rader properties to the executor bank.

"It is unfortunate that a receiver must be appointed, for a receivership will be costly and obviously inefficient as compared to the management that could be given this corporation by others," and Judge C. E. Chillingworth's decree.

"But under the circumstances the appointment of a receiver now seems necessary," at least for the present."

County Board Aids Livestock Show

Promotion of the South East Florida Livestock Show to be held at Belle Glade in April, was approved this week by the County Commission at the suggestion of Paul Rardin, vice chairman of the county board.

Mr. Rardin, representing District Five, won the approval of the county group for appropriating \$100 to aid in publicizing the livestock show to be held at Mayo Pavilion April 4 and 5 and which is expected to include some of the top flight livestock exhibits from the southeastern section of the state.

The show last year won widespread comment throughout the state for the livestock which was shown during the exhibit.

Vice Chairman Rardin, upon his request, was advised this week that classes of instruction for operation of voting machines would be held in his district prior to the May 2 primary election. Rardin also asked that voting machines be placed in his district several days before the election in order that voters would have an opportunity to study the ballot.

Other actions by the commission Monday:

Leased a five-acre plot on the shores of Lake Osborne to the Lake Worth Girl Scout Council for use as a camp site.

Accepted a \$725 bid from H. E. Drawdy, Lake Worth for a house located in the right-of-way of the proposed super-highway near Lake Worth. Drawdy's bid of \$50 for citrus trees on the property was also accepted.

Received an invitation from the Okeechobee County Commission to attend the first annual Governor's Day celebration to be held at Okeechobee, April 15.

Approved a recommendation from the county engineer to call for bids on the repair of a storm damaged hanger at Lantana Airport. A check of \$5,831 for storm insurance on the building was marked for financing repairs.

Awarded a painting contract to W. Fleischer, West Palm Beach, for painting woodwork on the exterior of the courthouse for a price of \$1,610.

Voted to seek permission from the War Department for permission to dredge a fill for the purpose of establishing a recreation park on the north side of the Riviera Memorial Bridge causeway.

Took under consideration a plan to establish three traffic lanes on Royal Palm Bridge in West Palm Beach to relieve congestion during the 8 a. m. and 5 p. m. traffic rush. The plan will be taken before the Palm Beach Town Council and the West Palm Beach City Commission by Commission Chairman Lake Lytal and Commissioner John Prince.

Approved application of the Florida Light and Power Company for construction of a power transformer atop the new county jail.

Wedding Plans

Miss Jean Marie Wilson whose marriage to Milton W. Salvatore will take place at the First Methodist Church at 6:00 p. m. May 6, has announced that her sister will be maid of honor and Carmen Salvatore Jr., will be his brother's best man.

Ushers will be Frank Gillis and Dean Wilson.

No wedding invitations will be issued. Friends of the couple are invited to attend.

Dave Lovell Out For Police Chief

Dave Lovell of Pahokee qualified as a candidate for Chief of Police Wednesday afternoon, according to the city clerk. Mr. Lovell has made no public announcement through these columns but that will be coming later.

Elks Elect New Officers For Year

James W. Vann exalted ruler of the Pahokee BPOE Lodge 1638 at the recent annual election of lodge officers.

Other officers chosen were J. W. Mullis, esteemed loyal knight; David Bleach, esteemed leading knight; E. D. Sims, Jr., esteemed lecturing knight; Ernest Lindrose, Sr., tiler; Edward A. Jensen, secretary; Thadd Whidden, treasurer; Harold Rosenberg, trustee with five year term of office; Rupert Mock, trustee to fill the unexpired term of the late W. H. Vann, and Frank O'Connell, alternate delegate to the meeting to the Grand Lodge in Miami next July.

Mrs. W. A. Howell has returned from a visit with her son-in-law and daughter, M-Sgt. and Mrs. William G. Langley, and her new grandson born on Mar. 12 at Cherry Point, N. C.

Will Dedicate New Hospital On May 10

The new Hospital in "Pahokee" will be officially dedicated on Wednesday afternoon, May 10, at 2:30 o'clock, according to L. J. Frasure, business manager of the institution. The particular hour was chosen because officials of the hospital were of the opinion that more folks would have an opportunity to be present for the occasion.

CARD OF THANKS

The family of Thomas R. Campbell wishes to thank each and every one for the kind expressions of sympathy in their recent bereavement. The many words and gestures of sympathy were very helpful and greatly appreciated.

Mrs. Ira J. Frasure, Sr.
Mrs. Grady McCoy.
